Promotion of Solar Productive Equipment (PESOP)

Call for expression of interest for the selection of suppliers of solar equipment for productive use 04/2022 AMI N° 004/AT2ER/PRMP/2022

The Togolese Rural Electrification and Renewable Energy Agency (AT2ER) with financial and technical support from GIZ, based on funds from the German Ministry of Economic Cooperation and Development (BMZ), is setting up a financial support scheme for Togolese companies in the renewable energy sub-sector.

The scheme is being implemented as a results-based financing (RBF) approach. The objective of this mechanism is to develop the market for solar equipment for productive use in Togo by encouraging companies in the renewable energy sub-sector to develop sustainable business models adapted to the population.

To this end, AT2ER is launching a Call for Expression of Interest (CEI) for the selection of companies and other entities specialised in the sale and installation of solar equipment for productive use.

Any company, association, cooperative or NGO operating in the field of renewable energy, and mainly in the commercial sale and installation of productive solar equipment, can apply to this AMI. To obtain the application form, please send a request to ami-pesop@gmail.com with the subject "AMI PESOP 04/2022, request for application form" until 12 April 2022.

The application file consisting of the completed application form with the required annex must be submitted:

- physically in the form of a printed file in four copies, one (01) original and three (03) copies at the headquarters of AT2ER (address: Lomé, quartier Tokoin-Gbonvié, 503 Rue de la Binah), in a sealed envelope bearing the inscription: AMI PESOP 04/2022, soumission de candidature " and;
- also electronically in MS Word format (.doc or .docx) to the following email address rbf.pesop@gmail.com (copy to passationmarcheat2er@gmail.com and copy to bahong2@yahoo.fr) with attachments in the form of a scan (PDF format), with the subject "AMI PESOP 04/2022, soumission de candidature".

The deadline for submission is 19 April 2022 at 10:00, UTC. The bids will be opened in the presence of the representatives of the applicants present at the above address, on the same day at 10.30 a.m. GMT, in the meeting room of AT2ER.
