Brief on TECHNOTEX

TECHNOTEX, organized by Ministry of Textiles, Govt. of India and Federation of Indian Chambers of Commerce & Industry (FICCI), is the flagship event comprising of an international exhibition, conference, and buyers-sellers meets. A common platform for interaction amongst stakeholders from across the global technical textile value chain, TECHNOTEX exemplifies the immense potential for trade and investment between India and foreign countries in technical textile sector.

About TECHNICAL TEXTILES

Global Market Size

Technical Textiles have seen an upward trend globally in the recent years due to improving economic conditions. Technological advancements increase in end-use applications, cost-effectiveness, durability, user-friendliness, and eco-friendliness of Technical Textiles has led to the upsurge of its demand in the global market. Indutech, Mobiltech, Packtech, Buildtech and Hometech together represent 50% of the global market in value. The Global Technical Textiles Market is pegged at USD 260 Billion in the year 2020 and is expected to grow up to USD 318 Bn by 2025, at a CAGR of 4% from 2020-25. The Asia-Pacific has been leading the Technical Textiles sector by capturing 40% of the global market, while North America and Western Europe stand at 25% & 22% respectively. Asia-Pacific has seen a tremendous growth in this sector and captures the largest market share due to rapid urbanisation and technological advancements in medical, automobile and construction industries. This is further catalysed by easy production, low cost labour and conducive government policy support.

India's Market Size

- ▶ Indian Textiles and Apparel Industry was valued at USD 108.5 Bn in 2019-20.

DISPLAY PROFILE

- ▶ Medical Textiles
- ▶ Mobil Textiles
- ▶ Industrial Textiles
- ▶ Eco Textiles
- ▶ Geo Textiles
- ▶ Home Textiles
- ▶ Packaging Textiles
- ▶ Protective Textiles
- ▶ Sport Textiles
- ▶ Agro Textiles
- ▶ Construction Textiles
- ▶ Clothing Textiles

VISITOR PROFILE

- ▶ Automotive Sector
- ▶ Medical, Health & Personal Care Sector
- ▶ Packaging Sector
- ▶ Sports Gear, Apparel, Equipment Sector
- ▶ Safety Products Sector
- ▶ Construction Sector
- ▶ Oil & Gas Sector
- ▶ Defence, Police, Fire Departments
- ▶ Chemical Industry
- ▶ Agriculture Sector
- ▶ Food and Beverages
- ▶ Logistics & Warehousing Companies
- ▶ Textile Drainage Systems
- ▶ Erosion Prevention Systems
- ▶ Textiles for Protection Against Hazardous Substances
- ▶ Mobile Containers
- ▶ Textile Noise Barrier Systems
- ▶ Filter Systems (Air/Water)
- ▶ Landfill Textile

CEOs ROUND TABLE

The CEOs Round table would be one of the main highlights of the event. It is a one-to-one interaction between the industry CEOs and the Central and State Governments. It provides a platform to both existing as well as the new players to deliberate their vision, opportunities and challenges pertaining to the Technical Textile industry. An interactive platform to discuss the means and scope required to take the growth story of this sector to higher trajectory in coming years.

REVERSE BUYER SELLER MEET (RBSM)

RBSM was organized during Technotex 2021. Meetings were organized for delegates from 34 countries. The same will be organized in this edition of Technotex 2023. More than 300 foreign buyers will be invited to encourage the exports in this sector. Ministry of Commerce and Industry, Govt has extended its support in inviting relevant buyers dealing in relevant products and services for the companies exhibiting during the event.

10e édition de "Technotex 2023"

Du 22 au 24 février 2023

La 10e édition de la série, "Technotex 2023", est organisée par le ministère du Textile, gouvernement indien, en collaboration avec la Fédération des chambres de commerce et d'industrie indiennes (FICCI), du 22 au 24 février 2023, au Bombay Exhibition Centre, à Mumbai. Technotex est l'un des plus grands événements composites de l'industrie du textile technique de la région Asie-Pacifique. TECHNOTEX est le premier événement indien sur les textiles techniques. TECHNOTEX est un excellent exemple de l'énorme potentiel de commerce et d'investissement bilatéral avantageux entre l'Inde et d'autres nations dans l'industrie du textile technique.

34 pays ont participé à l'événement, dont l'Afrique du Sud, l'Allemagne, l'Azerbaïdjan, le Bahreïn, le Bangladesh, le Belarus, le Cambodge, la Colombie, l'Éthiopie, la France, le Ghana, l'Indonésie, l'Iran, Israël, le Japon, le Kazakhstan, le Kenya, le Kirghizstan, le Nigeria, la Pologne, la Russie, le Sénégal, le Sri Lanka, la Suisse, Taiwan, l'Ouganda, la République tchèque, le Royaume-Uni, les États-Unis, le Vietnam et la Zambie. La Chine et la Corée du Sud y avaient également des pavillons nationaux concentrés. Outre les États du Gujarat, du Jharkhand, du Chhattisgarh, du Telangana, de l'Andra Pradesh, du Rajasthan, du Madhya Pradesh, du Punjab, de l'Uttar Pradesh et des NER, d'autres États notables tels que l'Odisha ont servi de partenaires et ont pris part aux nombreux forums d'affaires.

Fort de ce succès, il a été décidé d'organiser cet événement de grande envergure lors de Technotex 2023, qui se tiendra du 22 au 24 février 2023 au Bombay Exhibition Centre à Mumbai. Tous les participants importants de la fraternité mondiale des textiles techniques ainsi que les acheteurs institutionnels de l'armée assisteront à cette superproduction dans sa 10e édition. Marine. Hôpitaux, BRO, forces paramilitaires, police, armée de l'air, CISF, CRPF et institutions agricoles. Municipalités, organisations sportives et autres. CPWD Toutes les associations industrielles concernées soutiendront également l'événement.
